We are collecting gently worn sneakers to help support micro enterprise programs in Haiti. Our second hand sneakers are used by people in impoverished countries where they can repurpose and sell them. This enables them to form an income so they can pay for housing, food, educational expenses, etc. This will also raise funding for our group.

A true WIN WIN!

WE NEED YOUR HELP! Go out and collect sneakers (any age or style works!) Empty your closets then ask friends, family members, neighbors, co-workers, etc. for their help to get as many as possible collected. Any and all donations will help our cause!

**Collecting Dates:
August 1 to September 30**
